

## **City of Regina** Office of the Mayor

### **MESSAGE FROM THE MAYOR**

Greetings everyone,

It is with great excitement and admiration that I extend my warmest greetings to you on this special occasion—the 2025 Halal Food Festival. This festival is about more than just celebrating Halal cuisine; it is a meaningful opportunity to bring people together, to honour our shared values and to celebrate cultural diversity and inclusion.

Regina is proud to be home to a vibrant and diverse community, where cultures flourish and contribute to the richness of our collective identity. We are especially grateful for the work of the Darul Falah Islamic Centre (DFIC) in serving our community and addressing its religious, social and psychological needs.

Their values of integrity, compassion, resilience, commitment, and excellence deeply reflect the spirit of our city and continue to inspire the broader Regina community. This festival offers a unique opportunity for everyone to experience the richness of Islamic culture—uplifting community spirit and showcasing the strength that comes from diversity.

On behalf of the City of Regina and my City Council colleagues, I commend all the organizers, volunteers, performers, vendors, and attendees who have brought this festival to life.

May this celebration be filled with joy, connection, and lasting memories for all.

Sincerely,

Chad Bachynski  
Mayor of Regina
